

Enrollment Form

Spring Branch Academy 2024-25

Spring Branch Academy is a Christian school with classical methods, a liberal arts curriculum, and some experienced teachers. The school exists to bring glory to God through *instilling wisdom* and *inspiring worship* in each student.

Enrollment in the academy is open to students who fear God and respect human authority. First-time enrollment also involves an interview with the family. Transfer students should consult with the director before selecting classes.

Students enroll under either full-time status or home-school status. **Full-time** students take advantage of the integrated curriculum and are seeking a diploma from the academy. **Home-school** students are invited to enroll in any high-school class, but they must take or audit a theology class. **Middle-school students** have two options: to enroll in all classes or to enroll only in the Bible and Writing classes. **Elementary students** have only one option—to enroll and use as much or as little of the classes as the parents wish. For more information, contact the school via the website at: **sbacademy.us**
